AMENDED IN ASSEMBLY JUNE 27, 2005

AMENDED IN SENATE MAY 3, 2005

**SENATE BILL**

**No. 643**

**Introduced by Senator Chesbro**

(Coauthors: Assembly Members Berg and Jones)

February 22, 2005

---

---

An act to amend Section 1418.81 of the Health and Safety Code, ~~and to amend Section 14043.26 of, and to add Sections 5358.4, and to~~ *add Sections 5358.4, 14005.95, 14132.43, and 14132.99 to, the* Welfare and Institutions Code, relating to health care.

LEGISLATIVE COUNSEL'S DIGEST

SB 643, as amended, Chesbro. Nursing facilities.

(1) Existing law provides for the Medi-Cal program, which is administered by the State Department of Health Services, and which provides health care services to qualified low-income recipients. The Medi-Cal program is partially governed and funded by federal Medicaid provisions.

Existing law establishes various categories of Medi-Cal eligibility, including certain aged, blind, and disabled persons who are eligible conditioned upon meeting a share-of-cost requirement.

Under existing law, Medi-Cal recipients residing in nursing facilities are entitled to an amount for their personal and incidental needs, computed as prescribed.

This bill would, with respect to recipients required to meet a share-of-cost requirement who have been receiving Medi-Cal funded

long-term care for more than 3 months, modify the personal and incidental needs allowance to the 2 months prior to discharge and provide for reimbursement of a portion of the share-of-cost to the recipient at the time of discharge.

~~Existing law requires that applicants for Medi-Cal provider enrollment status who meet specified criteria may be granted preferred provisional provider status for 18 months. Existing law requires the department, within 180 days of receiving an application package required for Medi-Cal provider enrollment or from the date of the notice to an applicant or provider that the applicant or provider does not qualify as a preferred provider, to give written notice to the applicant or provider that provisional provider status is being granted for 12 months, the application package is incomplete, the department is pursuing investigation, or the application is being denied for designated reasons, or the department is required on the 181st day to grant the applicant or provider provisional provider status for no longer than 12 months, effective from the 181st day.~~

~~This bill would, instead of the 180-day time period, make the time period for processing of an application package for specified independent nurse providers 30 days following the receipt of the application package by the department.~~

Existing law permits the Director of Health Services to enter into contracts to provide targeted case management as a method of obtaining services for Medi-Cal recipients.

This bill would provide that targeted case management services, as prescribed, would be a covered benefit under the Medi-Cal program for nursing facility residents when medically necessary to transition into the community, and would authorize the public guardian to provide targeted case management services in certain circumstances.

Under existing law, the State Department of Health Services has obtained various waivers of Medicaid provisions generally aimed at enabling more Medi-Cal recipients to obtain the necessary services to reside in community settings.

This bill would authorize the department to seek an increase in the scope of these waivers, in order to enable additional nursing facility residents to transition into the community, but would condition implementation of these amended waivers upon obtaining federal financial participation.

(2) Under existing law, the Long-Term Care, Health, Safety and Security Act of 1973 requires certain long-term health care facilities to

include within a resident's care assessment, the potential for the resident to be released from the facility, and requires the resident's plan of care to reflect the care needed to assist in achieving the resident's preference to return to the community.

This bill would require that the plan include services that will assist the resident in maintaining, regaining, and acquiring the skills and level of functioning that would assist in a return to the community. The bill would authorize inclusion of information concerning home- and community-based waivers, and resources that provide or arrange for housing assistance, within the information concerning community services required to be provided to the resident or the resident's representative.

(3) Existing law, the Lanterman-Petris-Short Act provides for involuntary mental health treatment for persons who are a danger to self or others by reason of mental illness or chronic alcoholism, including, but not limited to, the granting of a conservatorship for this purpose.

This bill would, when a conservatee petitions the court for review of his or her placement or upon a rehearing on his or her conservatorship, permit the court to order the conservator or public guardian to secure an assessment to address a less restrictive alternative placement, as prescribed.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: no.

*The people of the State of California do enact as follows:*

1 SECTION 1. Section 1418.81 of the Health and Safety Code  
2 is amended to read:  
3 1418.81. (a) In order to assure the provision of quality  
4 patient care and as part of the planning for that quality patient  
5 care, commencing at the time of admission, a skilled nursing  
6 facility, as defined in subdivision (c) of Section 1250, shall  
7 include in a resident's care assessment the resident's projected  
8 length of stay and the resident's discharge potential. The  
9 assessment shall include whether the resident has expressed or  
10 indicated a preference to return to the community and whether  
11 the resident has social support, such as family, that may help to  
12 facilitate and sustain return to the community. The assessment  
13 shall be recorded with the relevant portions of the minimum data

1 set, as described in Section 14110.15 of the Welfare and  
2 Institutions Code. The plan of care shall reflect, if applicable, the  
3 care ordered by the attending physician needed to assist the  
4 resident in achieving the resident's preference of return to the  
5 community, including services that will assist the resident in  
6 maintaining, regaining, and acquiring the skills and level of  
7 functioning that would assist in a return to the community.

8 (b) The skilled nursing facility shall evaluate the resident's  
9 discharge potential at least quarterly or upon a significant change  
10 in the resident's medical condition.

11 (c) The interdisciplinary team shall oversee the care of the  
12 resident utilizing a team approach to assessment and care  
13 planning and shall include the resident's attending physician, a  
14 registered professional nurse with responsibility for the resident,  
15 other appropriate staff in disciplines as determined by the  
16 resident's needs, and, where practicable, a resident's  
17 representative, in accordance with applicable federal and state  
18 requirements.

19 (d) If return to the community is part of the care plan, the  
20 facility shall provide to the resident or responsible party and  
21 document in the care plan the information concerning services  
22 and resources in the community. That information may include  
23 information concerning:

24 (1) In-home supportive services provided by a public authority  
25 or other legally recognized entity, if any.

26 (2) Services provided by the Area Agency on Aging, if any.

27 (3) Resources available through an independent living center.

28 (4) Home- and community-based waivers that may provide  
29 support to the resident in the community.

30 (5) Resources that provide, or arrange for, housing, shared  
31 housing, or housing assistance.

32 (6) Other resources or services in the community available to  
33 support return to the community.

34 (e) If the resident is otherwise eligible, a skilled nursing  
35 facility shall make, to the extent services are available in the  
36 community, a reasonable attempt to assist a resident who has a  
37 preference for return to the community, to obtain assistance  
38 within existing programs, including appropriate case  
39 management services, in order to facilitate return to the  
40 community. The targeted case management services provided by

1 entities other than the skilled nursing facility shall be intended to  
2 facilitate and sustain return to the community.

3 (f) Costs to skilled nursing facilities to comply with this  
4 section shall be allowable for Medi-Cal reimbursement purposes  
5 pursuant to Section 1324.25, but shall not be considered a new  
6 state mandate under Section 14126.023 of the Welfare and  
7 Institutions Code.

8 SEC. 2. Section 5358.4 is added to the Welfare and  
9 Institutions Code, to read:

10 5358.4. (a) When an individual under conservatorship  
11 pursuant to this chapter petitions the court for a review of his or  
12 her placement pursuant to Section 5358.3, or a rehearing on his  
13 or her conservatorship pursuant to Section 5364, the court may  
14 order the conservator or the public guardian's office to secure a  
15 behavioral, psychological, psychosocial rehabilitation, supported  
16 living, or other professional assessment to address a less  
17 restrictive alternative placement or the supports the conservatee  
18 may need to transition to a less restrictive alternative placement.

19 (b) The assessments shall be conducted by a licensed mental  
20 health professional with appropriate training, credentials, and  
21 experience. The assessments may include the following:

22 (1) The conservatee's expressed goals.

23 (2) Documentation of the conservatee's participation in the  
24 assessment.

25 (3) Psychiatric diagnosis information and treatment needs.

26 (4) A description of the conservatee's psychosocial,  
27 educational, and vocational strengths and preferences.

28 (5) Relevant medications and dosages.

29 (6) Placement alternatives, including community placement  
30 alternatives.

31 (7) A description of relevant community support services that  
32 could assist the conservatee with transitioning to community  
33 living and the supports the conservatee will need to transition out  
34 of his or her current placement.

35 (8) Peer support alternatives.

36 (9) Culturally appropriate supports that may assist the  
37 conservatee in transitioning to a less restrictive placement.

38 (c) When, as part of this assessment process, a licensed mental  
39 health professional identifies the need for additional assessments,  
40 such as those related to neurological disorders or developmental

1 disabilities, that may not fall under the responsibilities or  
2 expertise of the licensed mental health professional, the public  
3 guardian or conservator may recommend to the court an  
4 appropriate entity to conduct the additional assessment or  
5 assessments.

6 SEC. 3. Section 14005.95 is added to the Welfare and  
7 Institutions Code, to read:

8 14005.95. (a) This section applies only to Medi-Cal  
9 recipients who have been receiving Medi-Cal funded long-term  
10 care for more than three months and have been paying a share of  
11 cost for that care pursuant to subdivision (d) of Section 14005.12.

12 (b) Notwithstanding subdivision (b) of Section 14005.9 and  
13 subdivision (d) of Section 14005.12, the personal and incidental  
14 needs of a Medi-Cal recipient in each of the two months prior to  
15 the month of discharge shall be an amount equal to the income  
16 level for maintenance for a single individual as provided in  
17 subdivision (b) of Section 14005.12.

18 (c) At discharge, but within five days following discharge of  
19 the Medi-Cal recipient from long-term care into the community,  
20 the Medi-Cal long-term care provider shall reimburse the  
21 discharged Medi-Cal recipient in an amount equal to the  
22 difference between the share of cost determined under  
23 subdivision (b) of Section 14005.9 and paragraph (1) of  
24 subdivision (d) of Section 14005.12 and the share of cost paid  
25 and determined in accord with subdivision (b) of this section.

26 (d) By February 1, 2006, the department shall submit to the  
27 federal Centers for Medicare and Medicaid Services a state plan  
28 amendment seeking approval of the personal and incidental  
29 needs adjustment authorized under this section.

30 (e) (1) The department shall adopt emergency regulations to  
31 implement this section in accordance with the rulemaking  
32 provisions of the Administrative Procedure Act (Chapter 3.5  
33 (commencing with Section 11340) of Part 1 of Division 3 of Title  
34 2 of the Government Code).

35 (2) The emergency regulations shall be adopted when  
36 necessary federal approvals have been obtained or with respect to  
37 which the department determines that federal financial  
38 participation is available under Title XIX of the federal Social  
39 Security Act.

1 (3) The initial adoption and one readoption of the initial  
2 regulations shall be deemed to be an emergency and necessary  
3 for the immediate preservation of the public peace, health and  
4 safety, or general welfare.

5 (4) The initial emergency regulations and the first readoption  
6 shall be exempt from review by the Office of Administrative  
7 Law, however, the regulations shall be submitted to the Office of  
8 Administrative Law for filing with the Secretary of State, shall be  
9 published in the California Code of Regulations, and shall remain  
10 in effect as emergency regulations for no more than 180 days.

11 SEC. 4. ~~Section 14043.26 of the Welfare and Institutions~~  
12 ~~Code is amended to read:~~

13 ~~14043.26. (a) (1) On and after January 1, 2004, an applicant~~  
14 ~~that is not currently enrolled in the Medi-Cal program, or a~~  
15 ~~provider applying for continued enrollment, upon written~~  
16 ~~notification from the department that enrollment for continued~~  
17 ~~participation of all providers in a specific provider of service~~  
18 ~~category or subgroup of that category to which the provider~~  
19 ~~belongs will occur, or a provider not currently enrolled at a~~  
20 ~~location where the provider intends to provide services, goods,~~  
21 ~~supplies, or merchandise to a Medi-Cal beneficiary, shall submit~~  
22 ~~a complete application package for enrollment, continuing~~  
23 ~~enrollment, or enrollment at a new location or a change in~~  
24 ~~location.~~

25 ~~(2) Clinics licensed by the department pursuant to Chapter 1~~  
26 ~~(commencing with Section 1200) of Division 2 of the Health and~~  
27 ~~Safety Code and certified by the department to participate in the~~  
28 ~~Medi-Cal program shall not be subject to this section.~~

29 ~~(3) Health facilities licensed by the department pursuant to~~  
30 ~~Chapter 2 (commencing with Section 1250) of Division 2 of the~~  
31 ~~Health and Safety Code and certified by the department to~~  
32 ~~participate in the Medi-Cal program shall not be subject to this~~  
33 ~~section.~~

34 ~~(4) Adult day health care providers licensed pursuant to~~  
35 ~~Chapter 3.3 (commencing with Section 1570) of Division 2 of~~  
36 ~~the Health and Safety Code and certified by the department to~~  
37 ~~participate in the Medi-Cal program shall not be subject to this~~  
38 ~~section.~~

39 ~~(5) Home health agencies licensed pursuant to Chapter 8~~  
40 ~~(commencing with Section 1725) of Division 2 of the Health and~~

1 Safety Code and certified by the department to participate in the  
2 Medi-Cal program shall not be subject to this section.

3 (6) Hospices licensed pursuant to Chapter 8.5 (commencing  
4 with Section 1745) of Division 2 of the Health and Safety Code  
5 and certified by the department to participate in the Medi-Cal  
6 program shall not be subject to this section.

7 (b) Within 30 days after receiving an application package  
8 submitted pursuant to subdivision (a), the department shall  
9 provide written notice that the application package has been  
10 received and, if applicable, that there is a moratorium on the  
11 enrollment of providers in the specific provider of service  
12 category or subgroup of the category to which the applicant or  
13 provider belongs. This moratorium shall bar further processing of  
14 the application package.

15 (c) (1) If the applicant package submitted pursuant to  
16 subdivision (a) is from an applicant or provider who meets the  
17 criteria listed in paragraph (2), the applicant or provider shall be  
18 considered a preferred provider and shall be granted preferred  
19 provisional provider status pursuant to this section and for a  
20 period of no longer than 18 months, effective from the date on  
21 the notice from the department. The ability to request  
22 consideration as a preferred provider and the criteria necessary  
23 for the consideration shall be publicized to all applicants and  
24 providers. An applicant or provider who desires consideration as  
25 a preferred provider pursuant to this subdivision shall request  
26 consideration from the department by making a notation to that  
27 effect on the application package, by cover letter, or by other  
28 means identified by the department in a provider bulletin.  
29 Request for consideration as a preferred provider shall be made  
30 with each application package submitted in order for the  
31 department to grant the consideration. An applicant or provider  
32 who requests consideration as a preferred provider shall be  
33 notified within 90 days whether the applicant or provider meets  
34 or does not meet the criteria listed in paragraph (2). If an  
35 applicant or provider is notified that the applicant or provider  
36 does not meet the criteria for a preferred provider, the application  
37 package submitted shall be processed in accordance with the  
38 remainder of this section.

39 (2) To be considered a preferred provider, the applicant or  
40 provider shall meet all of the following criteria:

1     ~~(A) Hold a current license as a physician and surgeon issued~~  
2     ~~by the Medical Board of California or the Osteopathic Medical~~  
3     ~~Board of California, which license shall not have been revoked,~~  
4     ~~whether stayed or not, suspended, placed on probation, or subject~~  
5     ~~to other limitation.~~

6     ~~(B) Be a current faculty member of a teaching hospital or a~~  
7     ~~children's hospital, as defined in Section 10727, accredited by~~  
8     ~~the Joint Commission for Accreditation of Healthcare~~  
9     ~~Organizations or the American Osteopathic Association, or be~~  
10    ~~credentialed by a health care service plan that is licensed under~~  
11    ~~the Knox-Keene Health Care Service Plan Act of 1975 (Chapter~~  
12    ~~2.2 (commencing with Section 1340) of Division 2 of the Health~~  
13    ~~and Safety Code; the Knox-Keene Act) or county organized~~  
14    ~~health system, or be a current member in good standing of a~~  
15    ~~group that is credentialed by a health care service plan that is~~  
16    ~~licensed under the Knox-Keene Act.~~

17    ~~(C) Have full, current, unrevoked, and unsuspended privileges~~  
18    ~~at a Joint Commission for Accreditation of Healthcare~~  
19    ~~Organizations or American Osteopathic Association accredited~~  
20    ~~general acute care hospital.~~

21    ~~(D) Not have any adverse entries in the Healthcare Integrity~~  
22    ~~and Protection Databank.~~

23    ~~(3) The department may recognize other providers as~~  
24    ~~qualifying as preferred providers if criteria similar to those set~~  
25    ~~forth in paragraph (2) are identified for the other providers. The~~  
26    ~~department shall consult with interested parties and appropriate~~  
27    ~~stakeholders to identify similar criteria for other providers so that~~  
28    ~~they may be considered as preferred providers.~~

29    ~~(d) Within 180 days after receiving an application package~~  
30    ~~submitted pursuant to subdivision (a), or from the date of the~~  
31    ~~notice to an applicant or provider that the applicant or provider~~  
32    ~~does not qualify as a preferred provider under subdivision (c), the~~  
33    ~~department shall give written notice to the applicant or provider~~  
34    ~~that any of the following applies, or shall on the 181st day grant~~  
35    ~~the applicant or provider provisional provider status pursuant to~~  
36    ~~this section for a period no longer than 12 months, effective from~~  
37    ~~the 181st day:~~

38    ~~(1) The applicant or provider is being granted provisional~~  
39    ~~provider status for a period of 12 months, effective from the date~~  
40    ~~on the notice.~~

~~(2) The application package is incomplete. The notice shall identify any additional information or documentation that is needed to complete the application package.~~

~~(3) The department is exercising its authority under Section 14043.37, 14043.4, or 14043.7, and is conducting background checks, preenrollment inspections, or unannounced visits.~~

~~(4) The application package is denied for any of the following reasons:~~

~~(A) Pursuant to Section 14043.2 or 14043.36.~~

~~(B) For lack of a license necessary to perform the health care services or to provide the goods, supplies, or merchandise directly or indirectly to a Medi-Cal beneficiary, within the applicable provider of service category or subgroup of that category.~~

~~(C) The period of time during which an applicant or provider has been barred from reapplying has not passed.~~

~~(D) For other stated reasons authorized by law.~~

~~(e) (1) If the application package that was noticed as incomplete under subdivision (d) is resubmitted with all requested information and documentation, and received by the department within 35 days of the date on the notice, the department shall, within 60 days of the resubmission, send a notice that any of the following applies:~~

~~(A) The applicant or provider is being granted provisional provider status for a period of 12 months, effective from the date on the notice.~~

~~(B) The application package is denied for any other reasons provided for in paragraph (4) of subdivision (d).~~

~~(C) The department is exercising its authority under Section 14043.37, 14043.4, or 14043.7 to conduct background checks, preenrollment inspections, or unannounced visits.~~

~~(2) (A) If the application package that was noticed as incomplete under paragraph (2) of subdivision (d) is not resubmitted with all requested information and documentation and received by the department within 35 days of the date on the notice, the application package shall be denied by operation of law. The applicant or provider may reapply by submitting a new application package that shall be reviewed de novo.~~

~~(B) If the failure to resubmit is by a provider applying for continued enrollment, the failure shall make the provider also~~

1 ~~subject to deactivation of all provider numbers used by the~~  
2 ~~provider to obtain reimbursement from the Medi-Cal program.~~

3 ~~(C) Notwithstanding subparagraph (A), if the notice of an~~  
4 ~~incomplete application package included a request for~~  
5 ~~information or documentation related to grounds for denial under~~  
6 ~~Section 14043.2 or 14043.36, the applicant or provider may not~~  
7 ~~reapply for enrollment or continued enrollment in the Medi-Cal~~  
8 ~~program or for participation in any health care program~~  
9 ~~administered by the department or its agents or contractors for a~~  
10 ~~period of three years.~~

11 ~~(f) (1) If the department exercises its authority under Section~~  
12 ~~14043.37, 14043.4, or 14043.7 to conduct background checks,~~  
13 ~~preenrollment inspections, or unannounced visits, the applicant~~  
14 ~~or provider shall receive notice, from the department, after the~~  
15 ~~conclusion of the background check, preenrollment inspections,~~  
16 ~~or unannounced visit of either of the following:~~

17 ~~(A) The applicant or provider is granted provisional provider~~  
18 ~~status for a period of 12 months, effective from the date on the~~  
19 ~~notice.~~

20 ~~(B) Discrepancies or failure to meet program requirements, as~~  
21 ~~prescribed by the department, have been found to exist during the~~  
22 ~~preenrollment period.~~

23 ~~(2) (A) The notice shall identify the discrepancies or failures,~~  
24 ~~and whether remediation can be made or not, and if so, the time~~  
25 ~~period within which remediation must be accomplished. Failure~~  
26 ~~to remediate discrepancies and failures as prescribed by the~~  
27 ~~department, or notification that remediation is not available, shall~~  
28 ~~result in denial of the application by operation of law. The~~  
29 ~~applicant or provider may reapply by submitting a new~~  
30 ~~application package that shall be reviewed de novo.~~

31 ~~(B) If the failure to remediate is by a provider applying for~~  
32 ~~continued enrollment, the failure shall make the provider also~~  
33 ~~subject to deactivation of all provider numbers used by the~~  
34 ~~provider to obtain reimbursement from the Medi-Cal program.~~

35 ~~(C) Notwithstanding subparagraph (A), if the discrepancies or~~  
36 ~~failure to meet program requirements, as prescribed by the~~  
37 ~~director, included in the notice were related to grounds for denial~~  
38 ~~under Section 14043.2 or 14043.36, the applicant or provider~~  
39 ~~may not reapply for three years.~~

~~(g) If provisional provider status or preferred provisional provider status is granted pursuant to this section, a separate provider number shall be issued for each location for which an application package has been approved. This separate provider number shall be used exclusively for the location for which it is issued, unless the practice of the provider's profession or delivery of services, goods, supplies, or merchandise is such that services, goods, supplies, or merchandise are rendered or delivered at locations other than the provider's business address and this practice or delivery of services, goods, supplies, or merchandise has been disclosed in the application package approved by the department when the provisional provider status or preferred provisional provider status was granted.~~

~~(h) Except for providers subject to subdivision (c) of Section 14043.47, a provider currently enrolled in the Medi-Cal program at one or more locations who has submitted an application package for enrollment at a new location or a change in location pursuant to subdivision (a) may continue to submit claims under an existing provider number for services rendered at the new location until the application package is approved or denied under this section, and shall not be subject, during that period, to deactivation of the provider's provider number, or be subject to any delay or nonpayment of claims as a result of the use of the existing provider number for services rendered at the new location as herein authorized. However, the provider shall be considered during that period to have been granted provisional provider status or preferred provisional provider status and be subject to termination of that status pursuant to Section 14043.27. A provider that is subject to subdivision (c) of Section 14043.47 may come within the scope of this subdivision upon submitting documentation in the application package that identifies the physician providing supervision for every three locations.~~

~~(i) An applicant or a provider whose application for enrollment, continued enrollment, or a new location or change in location has been denied pursuant to this section, may appeal the denial in accordance with Section 14043.65.~~

~~(j) (1) The 180-day time period specified in subdivision (d) for the processing of an application package pursuant to subdivision (a) shall not apply to independent nurse providers who are providing or seeking to provide in-home nursing care to~~

1 ~~an individual patient pursuant to one of the home- and~~  
2 ~~community-based waiver programs or pursuant to the Early and~~  
3 ~~Periodic Screening, Diagnosis and Treatment Program for~~  
4 ~~Medi-Cal recipients under the age of 21 years.~~

5 ~~(2) For the purposes of this section “independent nurse~~  
6 ~~providers” are providers authorized under certain home- and~~  
7 ~~community-based waivers and under the state plan to provide~~  
8 ~~nursing services to Medi-Cal recipients in the recipients’ own~~  
9 ~~homes rather than in institutional settings.~~

10 ~~(3) The time period for the processing and approval, or~~  
11 ~~provisional approval, of a provider application package~~  
12 ~~submitted by an independent nurse provider shall not exceed 30~~  
13 ~~days following receipt of the application package by the~~  
14 ~~department.~~

15 ~~(4) Payment for authorized services to approved providers, or~~  
16 ~~provisionally approved providers, pursuant to this subdivision,~~  
17 ~~shall be retroactive to the postmark date of the submission of the~~  
18 ~~provider application package.~~

19 ~~(k) (1) So as to ensure the availability of independent nurse~~  
20 ~~providers to provide services for Medi-Cal recipients residing in~~  
21 ~~managed care counties or who have private health insurance~~  
22 ~~coverage, but whose managed care organization or private health~~  
23 ~~insurance carrier does not cover in-home nursing care services,~~  
24 ~~the department shall ensure that it, or its services payment~~  
25 ~~contractor or agent or fiscal intermediary, provides payment for~~  
26 ~~claims in a timely manner, notwithstanding any incapacity of any~~  
27 ~~electronic payment system to recognize and adapt to the personal~~  
28 ~~circumstances of those Medi-Cal recipients.~~

29 ~~(2) For purposes of this subdivision, “payment for claims in a~~  
30 ~~timely manner” means payment within 30 days, or less, from~~  
31 ~~receipt of a completed claim.~~

32 ~~(3) By January 1, 2007, the department shall cause its services~~  
33 ~~payment contractor or agent or fiscal intermediary to upgrade any~~  
34 ~~electronic payment system so as to eliminate the need for manual~~  
35 ~~edits and overrides for, and to enable the electronic processing~~  
36 ~~of, claims from independent nurse providers that would~~  
37 ~~otherwise have to be submitted with paper attachments.~~

38 ~~SEC. 5.~~

39 ~~SEC. 4. Section 14132.43 is added to the Welfare and~~  
40 ~~Institutions Code, to read:~~

1 14132.43. (a) (1) Targeted case management pursuant to  
2 Section 1915(g) of the federal Social Security Act (42 U.S.C.  
3 Sec. 1396n(g)), shall be a covered benefit of the Medi-Cal  
4 program for residents of nursing facilities when medically  
5 necessary to transition from a nursing facility into the  
6 community.

7 (2) Targeted case management shall be considered medically  
8 necessary when beyond the scope of the limited discharge  
9 planning services available from the nursing facility itself or  
10 when there is a need to supplement the discharge planning  
11 services available from the nursing facility.

12 (b) Case management provided by health care professionals  
13 employed by the department may also be used at the  
14 department's discretion to provide transitional case management  
15 services.

16 (c) (1) Six hours of targeted case management services  
17 without prior authorization may be provided once to any nursing  
18 facility resident at the resident's request, including, but not  
19 limited to, a family member, when the resident or involved  
20 family member indicates a desire to return to the community but  
21 encounters barriers to a return.

22 (2) The targeted case management provider shall interview the  
23 nursing facility resident and others including the facility  
24 discharge planner, investigate options and barriers, and provide a  
25 written assessment setting out what would be required to enable  
26 the resident to transition into the community.

27 (d) Any utilization controls put in place by the department  
28 shall provide that a nursing facility resident may receive  
29 transitional targeted case management for up to eight months  
30 while in a nursing facility and for up to eight months following  
31 discharge from a nursing facility. The service months need not be  
32 sequential. Any utilization controls shall provide for expedited  
33 review of a request for authorization for additional hours beyond  
34 those initially authorized because of exigent but not emergency  
35 needs.

36 (e) Medi-Cal recipients who have been discharged from a  
37 nursing facility and who received transition targeted case  
38 management services to enable them to do so shall be entitled to  
39 short-term emergency targeted case management to address

1 problems putting the former nursing facility resident's health at  
2 risk or that could trigger a return to a nursing facility.

3 (f) Targeted case management under this section is not  
4 intended to supplant the case management available to clients of  
5 regional centers under subdivisions (a) and (b) of Section  
6 14132.48.

7 (g) The case management services provided shall include, but  
8 shall not be limited to, services to gain access to the medical,  
9 social, educational, and other services needed to ensure a safe  
10 and successful transition from the nursing facility to the  
11 community. Depending on individual need, those services may  
12 include any of the following:

13 (1) Arranging for application and assessments so that  
14 Medi-Cal personal care services would be in place upon going  
15 home and providing assistance in finding attendants.

16 (2) Assistance with housing including identifying subsidized  
17 housing or vouchers under Section 8 of the United States  
18 Housing Act of 1937 or other affordable housing that may be  
19 available to nursing facility residents on an expedited basis,  
20 taking steps necessary to ensure the nursing facility resident's  
21 own home or home to which he or she may be moving is safe,  
22 accessible, and ready.

23 (3) Ensuring that the nursing facility resident is discharged  
24 with the durable medical equipment and supplies needed.

25 (4) Ensuring that family members and others providing care  
26 have an opportunity to be trained at the nursing facility prior to  
27 the resident's discharge and that the training includes materials,  
28 including videotapes when appropriate, to which they can refer to  
29 refresh themselves with respect to the services they will be  
30 providing.

31 (5) Linking the nursing facility resident with needed health  
32 care providers upon discharge.

33 (6) Ensuring the nursing facility resident will be able to get to  
34 doctor or clinic appointments.

35 (7) Identifying and linking former nursing facility residents up  
36 with other resources that would support them in the community,  
37 including, but not limited to, meals on wheels programs,  
38 programs that donate furniture and appliances, paratransit  
39 transportation, programs through independent living centers,

1 programs providing social support, and programs matching up  
2 roommates for shared housing.

3 (8) Assisting the nursing facility resident in applying for  
4 applicable home- and community-based waivers when  
5 appropriate by ensuring all necessary documentation is provided  
6 to enable speedy processing of the waiver applications.

7 (9) Assisting the nursing facility resident in making contact  
8 with the federal Social Security Administration if the resident is  
9 currently receiving Supplemental Security Income (SSI) or  
10 would probably be receiving SSI if they were in the community,  
11 so that they receive benefits at the community standard when  
12 they are discharged.

13 (h) Targeted case management services under this section shall  
14 be provided pursuant to a plan developed with the nursing  
15 facility resident and agreed to by the resident. However, the  
16 ability of the targeted case manager to be able to use the  
17 authorized hours in a flexible manner is essential to the  
18 effectiveness of transitional case management. With the nursing  
19 facility resident's approval, the transition assessment shall be  
20 incorporated into the resident's plan of care.

21 (i) The following entities are qualified to provide transitional  
22 targeted case management to residents of nursing facilities:

23 (1) Programs, agencies, or entities providing case management  
24 through Multipurpose Senior Service Programs (MSSP).

25 (2) Agencies or entities other than home health agencies  
26 providing case management services under the nursing facility  
27 home- and community-based waivers.

28 (3) Agencies and entities that have been vendored to provide  
29 case management services under the home- and  
30 community-based waiver serving persons with developmental  
31 disabilities.

32 (j) Where the public guardian is eligible to, and chooses to,  
33 provide targeted case management services, it may provide  
34 targeted case management services to residents of nursing  
35 facilities under this section.

36 (k) (1) The department shall adopt emergency regulations to  
37 implement this section in accordance with the rulemaking  
38 provisions of the Administrative Procedure Act (Chapter 3.5  
39 (commencing with Section 11340) of Part 1 of Division 3 of Title  
40 2 of the Government Code).

1 (2) The emergency regulations shall be adopted when  
2 necessary federal approvals have been obtained or with respect to  
3 which the department determines that federal financial  
4 participation is available under Title XIX of the federal Social  
5 Security Act.

6 (3) The initial adoption and one readoption of the initial  
7 regulations shall be deemed to be an emergency and necessary  
8 for the immediate preservation of the public peace, health and  
9 safety, or general welfare.

10 (4) The initial emergency regulations and the first readoption  
11 shall be exempt from review by the Office of Administrative  
12 Law, however, the regulations shall be submitted to the Office of  
13 Administrative Law for filing with the Secretary of State, shall be  
14 published in the California Code of Regulations, and shall remain  
15 in effect as emergency regulations for no more than 180 days.

16 ~~SEC. 6.~~

17 *SEC. 5.* Section 14132.99 is added to the Welfare and  
18 Institutions Code, to read:

19 14132.99. (a) For the purposes of this section, “facility  
20 residents” means individuals who are currently residing in a  
21 nursing facility and whose care is paid for by Medi-Cal either  
22 with or without a share of cost. The term “facility residents” also  
23 includes individuals who are hospitalized and who are or will be  
24 waiting for transfer to a nursing facility.

25 (b) Additional slots beyond those currently authorized in the  
26 following home- and community-based waivers shall be added so  
27 that the needs of persons over 65 years of age can be met and so  
28 that facility residents have access to waiver slots without being  
29 put on a waiting list, as follows:

30 (1) For the current home- and community-based subacute  
31 nursing facility waiver, an additional 50 slots.

32 (2) For the current home- and community-based Level A/B  
33 nursing facility waiver, an additional 500 slots.

34 (3) For the current Multipurpose Senior Services Program  
35 waiver, an additional 300 slots that may be used by any program  
36 site on a first-come, first-serve basis.

37 (c) One-half of the additional slots shall be available to those  
38 who qualify for Medi-Cal based on institutional deeming. The  
39 slots, however, shall be filled on a first-come basis without  
40 regard to the need for institutional deeming.

1 (d) For those facility residents who are in acute care hospitals  
2 with onsite Medi-Cal consultants and who are pending placement  
3 in a nursing facility, the department shall develop fast-track  
4 procedures for expediting the processing of waiver applications  
5 in order to divert hospital discharges from nursing facilities into  
6 the community.

7 (e) The subacute nursing facility and nursing facility Level  
8 A/B waivers shall be amended to add the following services, to  
9 extend eligibility to those who qualify for Medi-Cal on the basis  
10 of age, and to change cost-effectiveness measures:

11 (1) One-time community transition services as defined by the  
12 federal Centers for Medicare and Medicaid Services in the May  
13 9, 2002, State Medicaid Directors Letter No. 02-008, including,  
14 but not limited to, security deposits that are required to obtain a  
15 lease on an apartment or home, essential furnishings, and moving  
16 expenses required to occupy and use a community domicile,  
17 set-up fees, or deposits for utility or service access, including, but  
18 not limited to, telephone, electricity, and heating, and health and  
19 safety assurances, including, but not limited to, pest eradication,  
20 allergen control, or one-time cleaning prior to occupancy.

21 (2) Habilitation services, as defined in Section 1915(c)(5) of  
22 the federal Social Security Act (42 U.S.C. Sec. 1396n(c)(5)), and  
23 in attachment 3-d to the July 25, 2003, State Medicaid Directors  
24 Letter re Olmstead Update No. 3, to mean services designed to  
25 assist individuals in acquiring, retaining, and improving the  
26 self-help, socialization, and adaptive skills necessary to reside  
27 successfully in home- and community-based settings.

28 (3) Individuals who qualify for Medi-Cal on the basis of age  
29 shall be eligible for waiver services on the same basis as persons  
30 who qualify for Medi-Cal on the basis of disability.

31 (4) The individual cost-effectiveness standard to be applied to  
32 the facility residents receiving one of the priority slots shall be  
33 based on the actual or projected cost of the facility plus ancillary  
34 services if that aggregate cost is more than the cost used to  
35 determine individual cost-effectiveness for other waiver  
36 participants.

37 (5) The three waivers listed in subdivision (b) shall be  
38 amended to exclude from the cost-effectiveness formula for  
39 waiver participants any Medi-Cal cost that would be incurred  
40 regardless of whether the facility resident waiver participant were

1 in the facility or community, including, but not limited to,  
2 medications.

3 (f) At the time of renewing any of the above three waivers  
4 listed in subdivision (b), the number of slots shall be increased to  
5 the extent necessary to ensure that nursing facility residents are  
6 able to receive waiver services when needed.

7 (g) This section shall be implemented when the department is  
8 satisfied that the requested state plan waivers or amendments can  
9 be implemented with federal financial participation with respect  
10 to the covered services. The request for nursing facility waivers  
11 and Multipurpose Senior Services Program waivers necessary to  
12 implement this section shall be submitted to the federal Centers  
13 for Medicare and Medicaid Services by April 1, 2006.
